Saltford Sprint Regatta 2022

Held under British Rowing Rules of Racing and 'Guide to Safe Practice in Rowing'.
Free bows-on start.

Sunday 15th May 2022

Avon County RC invites entries to its regatta 500m straight course on the River Avon at Saltford.

Wherever possible, all crews will have at least 2 races. Events will be raced to completion (crews stay on the water between rounds) and races will be held up and downstream.

This event is aimed at those new to rowing (typically in their first 12 months) and less competitive crews who may have been rowing for longer than this.

We respectfully ask that coaches/entry secretaries only enter crews which fall into these ability categories. The main aim of Saltford Sprint Regatta is to provide a venue where less experienced / less successful crews can gain racing experience and enjoy more of a chance of winning than at a traditional style regatta. However, they must be capable of steering the course and manoeuvring their boat safely.

Entries Close Wednesday 4th May 2022

£11.00 per seat (excluding coxes). Entries on BROE. Prizes for all event winners.

Events will be raced in batches. Doubling up/boat sharing is permitted but there must be at least two batches in between events when doubling up/boat sharing thus a crew/sculler may compete in batches A and D but not in batches A and B, or A and C.
