

Avon Autumn Entry Notes 2024

The long course is for J15 and above and adults.

The short course is for J14 and younger crews, and novice J15+, senior and masters crews.

We will try to get competition in all boat types and will bump unopposed crews unless you have said in the BROE notes that this is not acceptable to you. If there is no obvious race for an unopposed crew, we will contact you by Saturday 9th November. Please note that fees for all entries in the system at close of entries must be paid.

If scratches on the day mean that a category becomes uncontested, the remaining boat in that category will be bumped up one category or age group without consultation.

All categories of boat can be accommodated in each long division. It is possible to double up but we will assume you have chosen your divisions so that doubling up is not a problem for crews or boats.

If when you go into BROE the division you wish to enter appears to be closed, this means it has been suspended as it is full or nearly so. Please do not then put your entry into another division and write in the notes that you really wanted to compete in the suspended division, as your entry cannot be accommodated there. If you want to make an entry into a suspended division, please mail jane_day@outlook.com with your request including full details of the crews. Such requests will be accommodated where possible.

Divisions - please note (times are provisional):

Division 1 - short course start 10:30

Division 2 - long course start 10:45

Division 3 - short course start - 13:30

Division 4 - long course start - 13:45

Please make sure that you allow plenty of time for travel so you arrive with us in time for your crews to boat on schedule.

- For J11, please enter as J12 and indicate that you are J11 in the Notes column.

For low CRI masters eights, only Masters A has been set up Please indicate your masters category in the notes. If we have competition in any age group we will separate out the events, otherwise they will be "Low CRI Masters" and race each other on handicap.

Prizes and categories 2023

- Prize for the Head of the River (on non-handicapped times)
- Prizes for any contested category (2 to race across all relevant divisions) e.g. OJ 17 4x, women's eights, Masters C4+ etc
- Prizes for masters: Masters' handicaps will be applied by boat type, using the time of the winning senior boat of the appropriate type in the Head as the basis for the handicaps. Where different age categories are competing in the same boat type, the fastest masters' boat in each boat type after handicap will get a medal, unless it won a contested race within its own masters' category or it was the fastest boat on non-handicapped times.

Notes on prizes and categories

Senior, Masters and Junior Crews may be divided into bands within their age band and boat category, according to the numbers of crews entered and the spread of ranking points.

'Boat type' means eight, coxed four, coxless four, coxed quad, coxless quad, and is applied separately for men, women and mixed.

A crew can win more than one medal but only if it enters two distinct events. If it enters the same event twice, its faster time will be used to determine prizes.
